Parent Bulletin

Healthcare Passport

- On Thursday 12th February from 10:00-10:30am Erin Van-Tam a Clinical Nurse Specialist for Children's Learning Disability and Autism is coming to Amwell View School to talk to parents about the [Hertfordshire Healthcare Passport](#).
- The Hertfordshire Healthcare Passport is a new document that launched just before Christmas for all children up to 18 years of age with disabilities/medical needs and is county-wide across Hertfordshire. The aim is to improve patient experience, safety and access to healthcare overall. The health passport is for all ages of children/young adults. If a child has a diagnosis of a learning disability and lives in Hertfordshire then they are eligible for the 'Purple Folder' from the age of 18. The purple folder is just an adult version of the passport. [Please click here for more information](#).
- The session is open to parents of pupils 2-17 years of age with the outlook to have a separate session delivered for information about the 'Purple Folder'.
- If you would like to attend the session please send an email to admin@amwell.herts.sch.uk. There is a limit to 40 parents so it will be first come first serve, but if the demand is high we will book in another session.
