

Lower School After School Clubs

Year 1 - Year 6

3:30pm - 4:45pm

Lower School Clubs (September 2024 - July 2025)	Day	Capacity
Junior Swimming Club (due to popular demand—we will be running 2 Junior Swimming Clubs again this year on Mondays or Tuesdays, please only select one day for your child) Junior swim club is a great opportunity for those who love swimming to explore the pool and gain confidence through water play. In the pool, they can explore different equipment such as, big floats, watering cans, rainbow tunnels, floating water toys, sinkers and hoops. They can also practise their skills such as buoyancy and submerging in a fun environment, alongside their peers from different classes.	Monday 8 pupils	
	Tuesday 8 pupils	
Move and Groove Club Move and Groove club is designed to develop children’s passion for being active, to develop a range of multi-skills, and to allow them to express themselves through their own body movements. Pupils will be exposed to a range of active games to aid skill development and will use music to recognise body control. They will engage with movement songs, group games and skill-based activities. This will promote their awareness of their own body movements and their surroundings, fine and gross-motor skills, turn-taking, co-ordination and motivation.	Monday 10 pupils	
Games and Friends (Playground Games) Club Games and Friends club will offer lower school pupils the opportunity to enhance their social and emotional development as they share playground games with peers. The structured play activities will create wonderful opportunities for learning through play alongside peers from across the lower school. Pupils will be supported to engage in a range of playground games in the sports hall and small playground such as, songs and dance, parachute games, tag, What’s the Time Mr Wolf and ball games. This after school club will allow pupils to develop turn-taking skills, improve their tolerance and acceptance of others, increase fine and gross motor skills and allow opportunities for enhancing spontaneous communication whilst developing listening and responding skills.	Tuesday 10 pupils	
Performing Arts Club This club combines elements of Music, Dance and Drama in a fun and exciting way. Pupils will have opportunities to interact with students from other classes, develop their social skills and explore music through movement and games. Pupils will be supported to follow routines and create their own performances based on familiar stories, songs and musicals. The club aims to enable pupils to express themselves creatively in a relaxed, pupil-led environment.	Thursday 10 pupils	

Please note: There will be no After School Clubs on Wednesdays or Fridays
