Neil's End of Term Words

As 2022 draws to a close we look back on another exciting year at Amwell View School.

We are extremely proud of all of the children and young people and everything that they have achieved this year. The pupils approach their learning and school life with energy, excitement and fun and we continue to learn from them every day. There are so many highlights and achievements that we have shared this year and we hope that the end of half term newsletters help to remind us of some of the special events that have happened. We are looking forward to welcoming all of the pupils back to school in the New Year and we hope to see lots of parents and family members visit the school for different occasions as well.

From everyone at Amwell View we wish you a Merry Christmas and a Happy New Year.

To all of the parents,
thank you
for all the
generous gifts
sent in to the staff.
